

Midwest Collegiate Conference Baseball Tournament - 2009

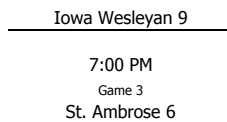

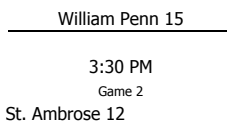

Thursday, Friday, Saturday & Sunday April 30 - May 3, 2009

Conference Tournament Play In Single Elimination

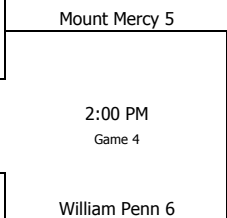

Thursday April 30, 2009
Day 1

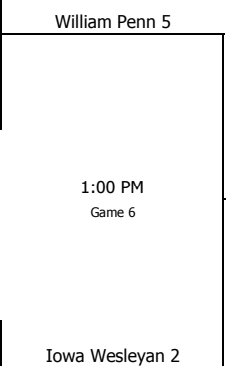

Friday May 1, 2009
Day 2

Saturday May 2, 2009
Day 3

Sunday May 3, 2009
Day 4

William Penn - Champion

NOTES:

1. Umpire assignments will be made by the Conference. Three-person crews will be used for all games.
2. Coaches of #8 and #9 will be the Tournament Directors.
3. Tournament Location will be determined by the Commissioner, ADC Rep and Baseball Chair
4. Weather recommendations.

EVERY EFFORT MUST BE MADE TO COMPLETE THE TOURNAMENT ON THE FIELD. Thursday, May 7, is the hard deadline for the Midwest Collegiate Conference automatic qualifier. According to the weather policy below, the single elimination portion (day 1) is given three full days (through Saturday) to complete its portion - if not, the conference automatically moves into the double elimination portion starting no later than Sunday. This leaves five full days to complete the remaining three days. The Tournament Directors (in consultation with Commissioner and ADC Rep) is the final authority on implementation and administration of the inclement weather policy. See inclement weather policy below:

1. If the tournament cannot be played at all, the #1 seed is the champion.
2. If games A and B can not be completed by Saturday, the #4 seed would advance to Game 2 (starting no later than Sunday).

3. If games A and B are completed, but C cannot be completed by Saturday, the highest remaining seed would advance to Game 2 (starting no later than Sunday).
4. If on day two, games 1 and 2 are started but cannot be completed before the completion date, the #1 seed is the champion.
5. If on day two, games 1 and 2 are completed but the rest of the tournament cannot be completed, the champion will be the highest seeded team that is undefeated.
6. If on day three, game 4 is completed but the rest of the tournament cannot be completed, the champion will be the undefeated team.
7. If on day three, games 4 and 5 are completed but the rest of the tournament cannot be completed, the champion will be the undefeated team.
8. If on day four, games 6 is completed AND a game 7 is necessary but cannot be played before the completion date, the champion will be the winner of game 6.
9. If the first three days cannot be played and only the last day is available, the tournament will revert to a single elimination tournament - games 1, 2 and 4.
10. If the first two day of the double elimination cannot be played but the last two days are available, then games 1-4 will be played on the first available day and games 5-7 will be played on the second available day. The champion will be the winner of game 6 or game 7 (if necessary).

5. All games must be played in full in order to be considered a complete game (Games A, B and C will be the only games to have the 10 run rule in effect after 7 innings).
